Circular instructions were issued to all the field officers vide reference cited to send the material samples to Road Research Station or to any of the Government Engineering college labs only for obtaining test reports for various Job Mixes but it is noticed that still some samples are referred to private labs.

Now, R&B Road Research station is re-established with sophisticated equipment spending around Rs.1.20 Crores in sub cellar of new R&B building, Erramanzil, Hyderabad and it is inaugurated on 27.09.2019 by Hon'ble Minister. The Hon'ble Minister desired that all samples pertaining to R&B works are referred to Road Research station only.

As such, all the (R&B) field officers are instructed to follow the Circular instruction Dated: 21.05.2016 duly utilizing the newly re-established lab with latest equipment effectively.

P.T.O

Further, the Executive Engineer R&B, Quality Control Divisions are also directed to insist for the reports or job mix designs from Road Research Station only.
