\*\*\*\*\*

It is observed by the undersigned in the review meeting held with the Quality Control officials on 16.09.2019 that the Compliance Reports are not being submitted by the field Executive Engineers to the QCRs issued by the Quality Control wing which is serious violation on the part of the field staff.

It is mandatory to submit the Compliance Reports to each and every QCR issued by the Quality Control wing.

Therefore all the Executive Engineers are hereby directed once again to submit the Compliance Reports to the Quality Control wing without fail. Violation of the above instructions will be viewed seriously and suitable action will be initiated.
