All the Superintending Engineers (R&B) / Executive Engineers (R&B) are informed that the Vigilance and Enforcement vide ref 2nd cited, have inspected the works in Medaram, Warangal on 31-7-2014. On verification of records, Vigilance and Enforcement pointed out that deviations are executed without prior approval of E-in-C(R&B). Further supplementary agreements were concluded for additional items of work that were not contemplated in the original works in violation of Para 182 of A.P.P.W.D.Code and that working estimates were also approved beyond the competency of concerned officers. As such, it is strictly recommended to follow the agreement conditions and codal rules scrupulously.

2. In view of the above V&E report and also as per the instructions of the Government vide ref 1st cited, all the S.E's are directed to;

i. to follow the agreement conditions and codal rules scrupulously, as such to avoid legal hurdles / complications in execution of work.

3. Any violation in this regard will be viewed seriously.
