

Office of Engineer-in-Chief (R&B),
Roads Telangana, Errummanzil, Hyderabad.

Circular Memo No: 1077/EE(R)/DEE1/AEE4/2015, Dated: 22-06-2015.

Sub:- Certain Instructions regarding the improvements of Black Spot locations –Communicated- Regarding

Ref:- Lr from the Secretary, Supreme Court Committee on Road Safety Lr No F.No 42/CoRS/2014, Dt 15-05-2015

All the Superintending Engineers and Executive Engineers (R&B) working under State Roads & CRN wing are instructed to follow the guidelines for improving Black Spots locations.

1. By the 5th April of every year all the SE's (R&B) should submit the location of Black Spot needed to improve.
2. These black Spots are to be identified based on the analysis of the accidents occurred & the cause of the accidents due to poor Geometric Standards in the preceding calendar year.
3. The estimates should be submitted to Engineer-in-Chief (R&B) SR & CRN office by 30th April of every year.
4. Such estimates can be proposed for sanction under either in Road Safety Engineering Head of Account or under regular Plan works Head of Account.
