- 5) From the ENC, RWS&S, Hyd. Lr.No.AEE/DEE II/RWS(P)/Tenders Conditions//2010, Dated 05.12.2012.

ORDER:-

In the circumstances reported by the Engineer-in-chief, Rural Water Supply and Sanitation Department, Hyderabad vide his letters read above, he has stated that the Government have issued orders vide reference 1st read above, to go for 5 years defect liability period in all future RWS works. So far, 2 years defect liability period has been implemented in RWS works. For effective implementation of 5 years defect liability period in RWS works, certain tender conditions need to be modified/incorporated in tender conditions. Further, he has stated that a meeting was convened in the chambers of the Engineer-in-Chief, Rural Water Supply and Sanitation, Hyderabad with all the Chief Engineers, RWS&S on 01.10.2012 and thoroughly discussed about the modalities for implantation of 5 years defect liability period in RWS works and recorded their recommendations in the minutes. Therefore, he has requested the Government for issue necessary orders for implantation of 5 years defect liability period for MVS Schemes with the following modifications / incorporations in Tender conditions:-

A. Operating & Maintenance of the Scheme: So far, the executing agency is executing the operation & maintenance of the Scheme during the 2 years defect liability period after successful completion and commission of the Scheme. As the Government have accorded permission to go for 5 years defect liability period in all RWS works, the executing agency has to execute Operating and Maintenance of the Scheme during the 5 years defect liability period.

B. Provision towards O&M in the original estimate: Provision has been made in the original estimate for O&M of the Scheme during the 2 years defect liability period so far.

C. Maintenance of Assets: Presently, the MVS Schemes have been handed over to Z.P after the completion of the defect liability period.

D. Entrustment & Agreement for O&M of the Scheme during the defect liability period:

Presently, the original construction agency/contractor of the scheme is held responsible for operation and maintenance of the scheme during the 2 years defect liability period.

E. Payments to original construction agency towards O&M during the defect liability period: At present, O&M payments (excluding power charges) have been paid to the execution agency for the actual operation, regular & periodical maintenance and as per quantity of water supplied based on the approved estimate rates during the 2 years defect liability period.

(P.T.O)

F. Release of Bank Guarantee towards 2.5% EMD balance FSD and 1% performance Security Deposit: At present, BGs have been released to the executing agencies after completion of 2 years defect liability period.

2. The Government after careful examination of the request of the Engineer-in-Chief, Rural Water Supply and Sanitation Department, Hyderabad in para -1- above, hereby accord the following the modifications / incorporations in Tender conditions for implementation of 5 years defect liability period for MVS Schemes in RWS works:-

In respect of A: It is mandatory for the construction agency/ contractor of MVS schemes to Operate & Maintain the MVS scheme during the 1st 5 years after completion and successful commissioning of the Scheme fully.

In respect of B: No provision will be made in the original estimate as Zilla Parishad will give separate administrative sanction for O&M of the Scheme every year from commissioning year with O&M funds of Zilla Parishad on those released by Government.

In respect of C: The MVS Scheme will be handed over to Z.P. after completion and successful commissioning, as there is no provision for O&M in the original estimate.

In respect of D: The contractor is responsible for work as per specifications for 1st 5 years after commissioning. If there is defect in the capital or O&M work of the agency, they can be blacklist duly following procedure by either RWS&S for capital work or by local body for O&M work and then a different agency can be selected duly following prescribed procedure.

In respect of E: Regular & periodic maintenance will be responsibility of the contractor and original work & O&M estimate should provide for it. No separate payment should be made for it. Only supply charges on a per KL basis of actual bulk water supplied to the Village points needs to be paid.

In respect of F: Bank Guarantee which is presently being released after 2 years should be released after 5 years.

3. The Engineer-in-Chief, Rural Water Supply and Sanitation Department, Hyderabad, shall take necessary further action in the matter and to intimate to all the concerned under his control.

4. A copy of this order is available on the internet and can be accessed at the address – <http://www.ap.gov.in/goir>.
