**Circular No. E-In-C(O&M)/EE-1/DEE-2/AE/2021/O&M Lift/01**     **Dt. 24-06-2021**

**Sub:** I & CAD Department- Engineer-In-Chief ( O & M )-Operation & Maintenance of Lift Schemes- Certain guide lines for preparation of estimate issued- Reg.

- Ref:** 1. G.O.Ms No.20 I & CAD (Reforms) Dept dt:27.04.2021.  
2. 4<sup>th</sup> O & M Committee meeting held on 22-06-2021.  
3. Memo No.3652/Reforms/2017 I & CAD Dept Dated.24.05.2021.

\*\*\*\*\*

During the 4<sup>th</sup> O&M committee meeting held on 22-06-2021, the committee finalized certain guide lines for preparation of O&M estimate of Lift Irrigation Schemes. All the Territorial Engineer-In-Chief/Chief Engineers are requested to follow the below guidelines for the preparation of estimates for Operation & Maintenance of Lift schemes.

1. The estimates for Operation & Maintenance of Lift Schemes which were administratively sanctioned by the Government as per G.O.Ms No.33, shall be revised and submitted with GO 20 provisions.
2. The estimates to be submitted for Operation & Maintenance of Lift Schemes shall be prepared for three years as per G.O.Ms No.20 provisions with clear break up year wise to suit any period for tendering.
3. If any O&M contract is extended for 4 to 6 months during the current year for finalizing the new O&M contract , the estimate may be prepared in two Parts i.e. Part "I" consists of estimate for extended period(i.e. 4 to six months) , this should be as per site requirements with G.O.Ms No.33 or G.O.Ms No.20. The existing agreement should be followed if there is no problem in running the Lift scheme in extended period. Otherwise, G.O.Ms No.20 also can be considered with proper justification. And PART "II" consists of estimate for remaining period of three years with G.O.Ms No.20 provisions.

4. All the medium Lift schemes with pumps rating less than 1 MW shall be treated as single pumps for calculating man power requirement.
5. A provision of 13.615% towards Contractors overhead charges to be provided in the estimate on repairs and replacement of small spare parts costing less than Rs.5000/- and Manpower only .
6. Provision of 18% GST may be incorporated towards providing man power and repairs costing below Rs.5000/-
7. The repairs costing above Rs.5000/ shall be inclusive of GST under provision of 0.75% of capital cost of HM & EM equipments .
8. Tenders shall be called for one year for O &M of pump houses as per instructions issued vide Government memo 3<sup>rd</sup> cited.
9. All the tenders should be short notice tenders.
