B. Suresh Kumar, M.E.,
Chief Engineer.

Circler Memo.No.211/T10/QC/APEWIDC/Circular Instructions/2014, Dt:22.09.2014.

Sub: Quality Control, APEWIDC – Circular Instructions for finalizing the works of the Corporation – Reg.

@@@@@

The Executive Engineers and Superintending Engineers of the APEWIDC are informed that all the Original works costing upto 10 Lakhs and all Maintenance nature of works irrespective of the cost of the work should be finalised based on the Quality Control Inspection Report and Certification by the concerned Executive Engineer of the Division, on their responsibility. And all the works costing above 10.00 Lakhs should be finalized based on the Quality Control Inspection Report and Certification by in-House Quality Control Wing of the Corporations.

The above instructions should be strictly complied with and any violations to the above will be viewed seriously and the concerned officials will be made accountable for the lapses.

The receipt of this Circler Memo may be acknowledged by the return of post.

Chief Engineer
APEWIDC, Hyderabad.
